Supplier

Profile

After the supplier sign up, his profile is displayed to prompt him to complete all necessary info.

The screenshot shows a web-based supplier profile form. At the top, there's a header with 'Aertery' on the left, a search bar 'Search medical supplies, suppliers or brands', and links for 'Products', 'Help Center', 'Hello, Account Manager'. Below the header, a sidebar on the left lists 'Profile' (which is selected), 'Orders', and 'Products'. The main content area is titled 'Profile' and includes a 'Change password' link. It contains several input fields: 'Company Name' and 'Company address'; a 'Warehouse location' section with a 'Warehouse name' field, a 'location' button (with 'Google maps' and 'Opening hours' sub-options), and 'From' and 'To' time inputs; a link to 'add another warehouse location'; 'Commercial Registration Number' and 'Unified Number' fields; a 'Commercial Registration' section with a file upload button ('Upload PDF file'); a 'Commercial Registration Expiration Date' field; 'VAT Number' and 'VAT Certificate' sections, each with a file upload button ('Upload PDF file'); 'Account Manager First Name' and 'Account Manager Last Name' fields; an 'Email' field; a 'Phone number' field; and an 'Authorization letter' section with a 'Download Template' link and a file upload button ('Upload pdf file'). At the bottom right is a 'Submit Profile' button.

Figure 11 Supplier profile data

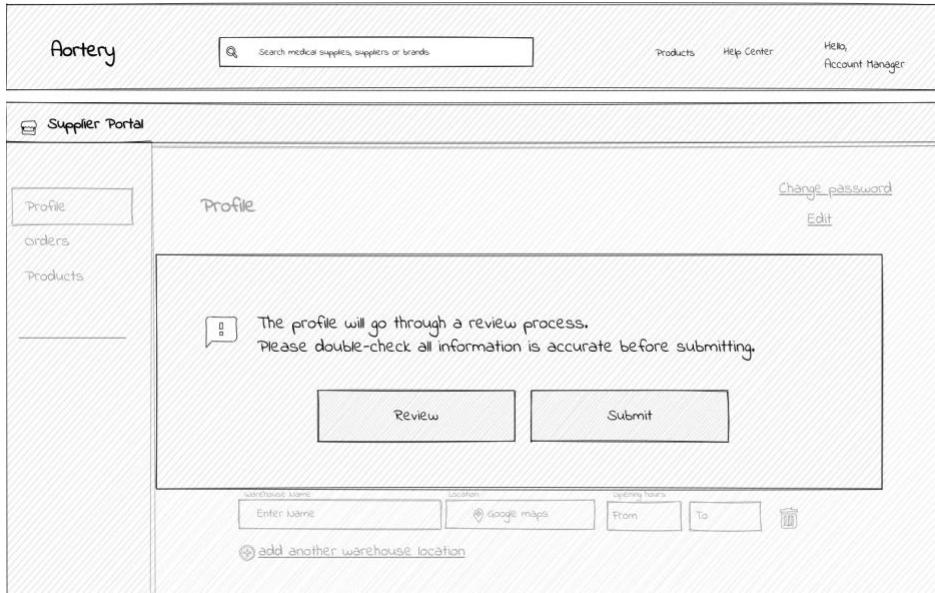

Figure 12 Confirm Profile Pop-Up

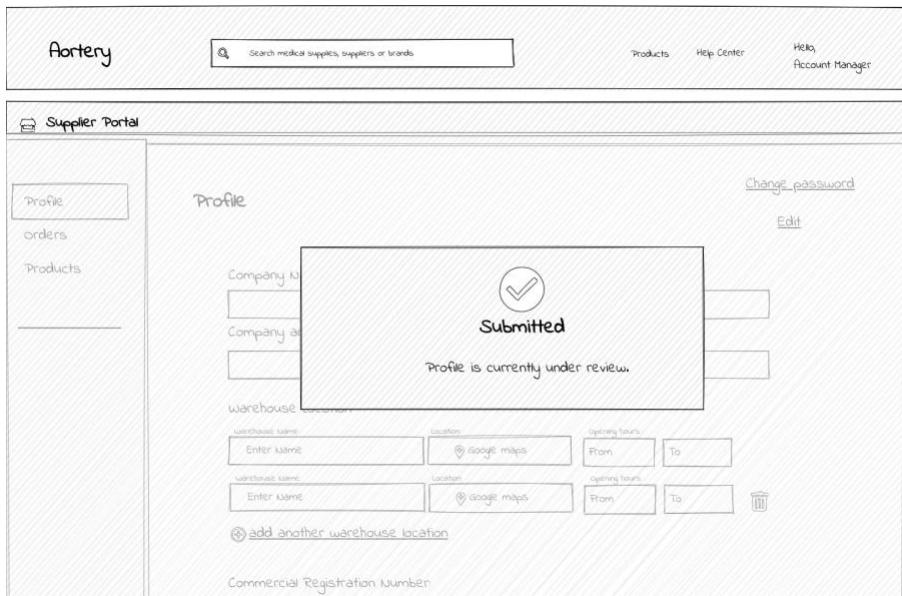

Figure 13 Profile Submitted Pop-Up

after filling the profile, a message with the current status will be displayed, first the account will be under review for 48 hours (excluding Fridays and Saturdays) before displaying the updated status either approved or disapproved by the admin with further information via email.

Profiles are editable but will undergo the 48 review hour again.

Orders

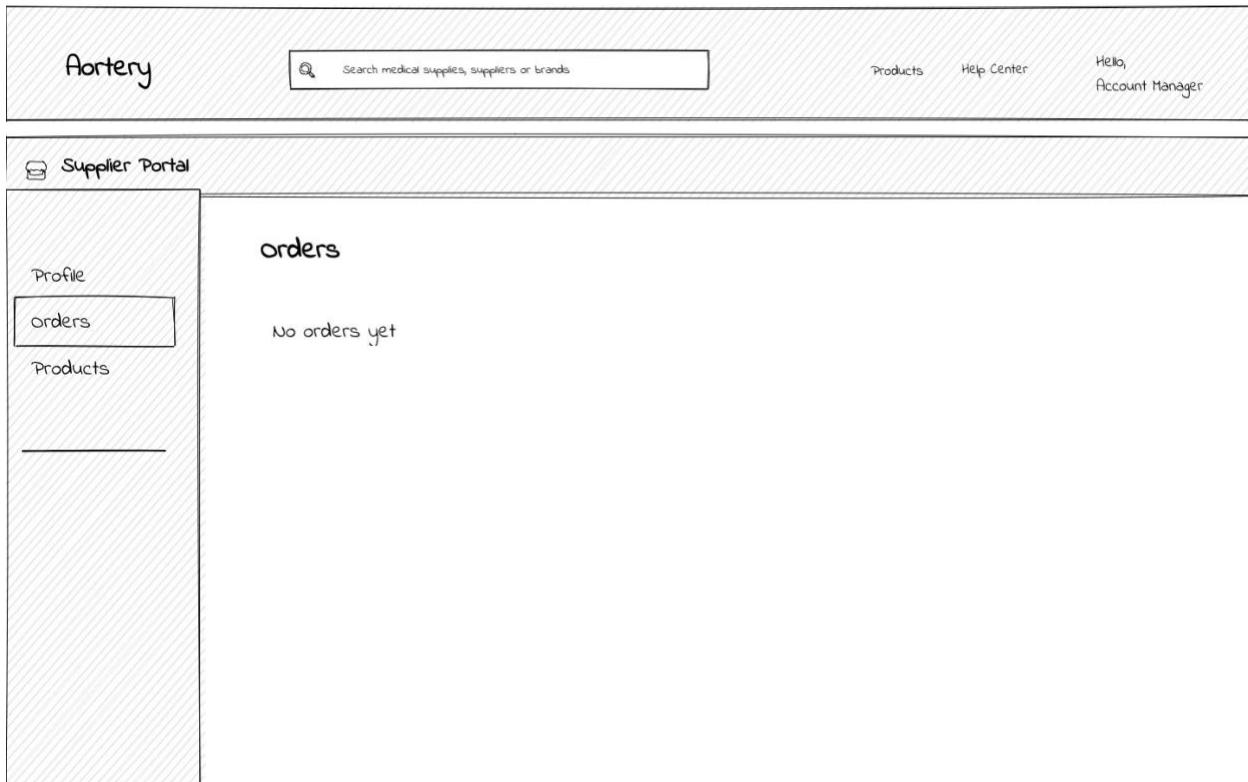

Figure 21 Supplier Orders

The screenshot shows the Artery Supplier Portal. At the top, there is a search bar with placeholder text "Search medical supplies, suppliers or brands". To the right of the search bar are links for "Products", "Help Center", and "Hello, Account Manager". On the left side, there is a sidebar with navigation options: "Profile", "Orders" (which is currently selected and highlighted with a red border), and "Products". The main content area is titled "orders". It displays a table with the following columns: "Time", "Order No#", "Buyer", "Amount", and "order Status". There are three rows of data:

Time	Order No#	Buyer	Amount	order Status
2 Jan 2025 3:59 pm	#1938	Company XYZ	7640.35	Pending approval
2 Jan 2025 3:59 pm	#1938	Company XYZ	7640.35	Approved Waiting Payment
				Payment received Preparing
				Shipped
				Completed

Figure 22 Order Status Types

The supplier can confirm or decline an order or some products with a confirmation pop ups. The storage field will be automatically filled by what the user inserted in the product location but it can be changeable to any location added in the profile. Then the order will be unhold until the buyer pays the full amount (in 24 hour duration excluding Fridays and

Saturdays or the order will be canceled) Then the supplier should update status if ready for shipment shipped etc.

Order

The wireframe illustrates the 'Buyer Portal' interface for managing orders. At the top, the 'Artery' logo is on the left, followed by a search bar containing the placeholder 'Search medical supplies, suppliers or brands'. To the right of the search bar are links for 'Products', 'Help Center', and 'Hello, Account Manager' (with a shopping cart icon showing 0 items). On the far left, a vertical sidebar labeled 'Profile' contains a 'orders' button, which is highlighted with a red border. The main content area is titled 'orders' and includes a header with four filter dropdowns: 'Dat ▽', 'order No.#', 'Amount ▽', and 'order Status'. Below this header, the message 'No orders yet' is displayed.

Figure 31 Orders Page

The screenshot shows the Artery Buyer Portal interface. At the top, there is a navigation bar with the Artery logo, a search bar containing the placeholder "Search medical supplies, suppliers or brands", and links for "Products", "Help Center", "Hello, Account Manager", and a shopping cart icon showing 5 items.

The main content area is titled "Buyer Portal" and contains a sidebar on the left with "Profile" and "orders" options, where "orders" is currently selected. The main area is titled "orders" and displays a table of four orders:

Date	order No.#	Amount	order Status
2 Jan 2025	1938	349.96	Pending approval
8 Jan 2025	1995	7640.35	Proceed to Payment
2 Feb 2025	2356	349.96	Processing order
13 Feb 2025	2567	7640.35	Completed

Figure 32 Orders View

The screenshot shows the Aortery Buyer Portal interface. At the top, there is a navigation bar with the Aortery logo, a search bar, and links for Products, Help Center, Hello Account Manager, and a shopping cart icon.

The main content area is titled "orders » Preview order". It displays an order with the following details:

- order No#**: 133
- Date**: 2 Jan 2025
- order Status**: Pending approval

The order contains three items:

- Wireless Headphones**: \$99.99, quantity 1, Supplier: New Tech
- Smartwatch**: \$199.99, quantity 2, Supplier: Best Tools
- Sunglasses**: \$49.99, quantity 1, Supplier: Smart life

At the bottom of the order preview, it shows a total of \$349.96 and a "Cancel order" button.

Figure 33 Pending Approval Order

The screenshot shows the Artery Buyer Portal interface. At the top, there is a navigation bar with the brand name "Artery" on the left, a search bar in the center containing the placeholder "Search medical supplies, suppliers or brands", and links for "Products", "Help Center", "Hello, Account Manager", and a shopping cart icon on the right.

The main content area is titled "orders » Preview order". It displays an order with the following details:

- Order No#:** 1938
- Date:** 2 Jan 2025
- Order Status:** Proceed to Payment

The order contains three items:

- Wireless Headphones**: \$99.99, quantity 1, Supplier: New Tech. Status: Approved, Action: Cancel item.
- Smartwatch**: \$199.99, quantity 2, Supplier: Best Tools. Status: Approved, Action: Cancel item.
- Sunglasses**: \$49.99, quantity 1, Supplier: Smart life. Status: Declined.

At the bottom of the order preview, it shows a total of **Total: \$349.96** and buttons for **Cancel order** and **Checkout**.

On the left side of the main content area, there is a sidebar with a "Buyer Portal" header, a "Profile" link, and a "Orders" button, which is highlighted with a red border.

Figure 34 Approved Order

The screenshot shows the Artery Buyer Portal Order Checkout interface. At the top, there is a header bar with the Artery logo, a search bar, and navigation links for Products, Help Center, Hello, Account Manager, and a shopping cart icon showing 0 items.

The main content area is divided into two sections: 'order Summary' on the left and 'Payment Summary' on the right.

Figure 39 New Profile Overview

Order Flow

1. An order is placed by buyer
2. Pending approvals from suppliers (maximum 48 hour excluding Fridays and Saturdays after the duration product is automatically declined) if all products approved before the 48 hours, then automatically proceed to the next step / buyer can still cancel the order
3. Buyer has 24 hour duration to pay for the order after calculating the shipment on the confirmed products (if not paid in the duration the order is canceled) / buyer can cancel the order
4. Preparing by suppliers (invoices and shipment are calculated and processed by warehouses)
5. Shipping
6. delivered
